- Ensure clarity of vision, ethos and strategic direction;
- Hold the Headteacher to account for the educational performance of the organisation and its students, and the performance management of staff;
- Oversee the financial performance of the school making sure its money is well spent.

Who can become a Governor?

We encourage applications from people from all walks of life so that we can draw on a wide variety of skills and experience to support and develop the academy. At the foot of this form is a list of eligibility criteria, but equally important is your readiness to work as part of a team that understands the academy's work and ability to think through new ideas and decide what is best for the academy.

This will mean you are willing to:

- Attend meetings regularly
- Become involved and get to know the academy
- Help the local community and increase the learning opportunities of the pupils
- Read all paperwork circulated for meetings
- Attend events at the academy
- Respect confidentiality at all times

What are the benefits of becoming a Governor?

Cotswold Beacon Academy Trust Governors find the role challenging, interesting and deeply rewarding because they can see how their work contributes to the well-being and prospects of pupils, academies and communities. It gives them a real opportunity to make a difference. In addition, our Governors tell us how it assists their personal development as being a Governor provides experience of executive decision making.
