

REDUNDANCY POLICY

On the advice of the school's current HR provider, on 18th February 2022 the Trustees of Cotswold Beacon Academy Trust (CBAT) agreed to retain the Gloucestershire County Council Local Authority policy for Redundancy, as it has been consulted on and approved with the local unions.

It was also agreed that Trustees would award the statutory minimum, except in exceptional circumstances, to any future redundancy payments as provided for in the retained policy.

Please contact the CBAT Human Resources team if you would like a copy of the GCC policy or any further information.
